ARPA-E

Advanced Research Projects Agency - Energy

LET'S KEEP IN TOUCH

Congratulations on completing your ARPA-E project and on becoming a member of the ARPA-E alumni community.

As you well know, ARPA-E is a unique Federal Agency because it brings together individuals from the scientific, engineering, and entrepreneurial communities to work collaboratively on transforming the energy landscape. In order to strengthen your own experience, those of future ARPA-E employees, and the ARPA-E community as a whole, we invite you to stay connected with us.

Here are a few ways you can stay in touch with ARPA-E:

SIGN UP FOR THE ARPA-E NEWSLETTER

For less frequent updates, subscribe to our newsletter for a monthly dose of additional content including new staff, Summit updates and project selection announcements.

FOLLOW US ON SOCIAL MEDIA

Follow ARPA-E on LinkedIn to learn about new job opportunities and share them with your professional network.

Also, make sure to follow us on Twitter and like us on Facebook for the latest news on ARPA-E performers, project selections, and Agency leadership.

E-MAIL US ABOUT WHAT YOU'RE DOING NOW

While we're excited to share with you what ARPA-E is doing, we're also eager to learn about how you're continuing to make an impact after ARPA-E. If you accept a new position, are working on a new technology, or start a business, we want to hear about it!

E-mail us at arpa-e-comms@Hq.Doe.Gov to share how you're continuing to change the energy landscape. We'd love to feature these updates and successes with the alumni community, in the ARPA-E newsletter, or in a blog post.
