### I. Concept Paper Phase Questions:

**Q1. We are putting together a concept paper with a team that includes two small companies (that would be SBIR eligible) as well as two university partners and a large company partner. Is there any way that the small companies participating can be funded as SBIRs in this program -- perhaps with coordinated contracts rather than a single contract for the entire effort?**

**ANSWER:** No.

**Q2. For the ARPA-E opportunity under Category 2 does the power level for the system has to be 10 kW and higher?**

**ANSWER:** No, it does not.
