## CIP's Green Tech Value Proposition

Insured **80 renewable energy projects** in  
**16 countries** and **4 continents**

*"The insurance enabled ... 30% savings in finance costs!"*

Over **150 photovoltaic module manufacturers**  
audited in extensive factory visits **globally**

*"If it weren't for Munich Re, winning the 96 MW solar  
project in South Africa would not have been possible..."*

More than **€1.2 billion exposure** in support of over  
**€13 billion capital** in global **"green" technologies** since 2010

Strong collaboration with Munich Re's network of financial &  
technical experts, e.g. **Corp. Climate Center, MEAG**

World-class partnerships with research and certification  
institutes, e.g. **VDE, Fraunhofer Institutes, DEKRA**
