

# ARPA-E Biological Technologies for Methane-to-Liquid Fuels Workshop

December 5, 2012 | Washington, DC

## Workshop Agenda

Time	Speaker/Breakout	Objective
8:00-8:30	Breakfast and Sign up	
8:30-8:40	Eric Toone	Welcome & ARPA-E introduction
8:40-9:00	Ramon Gonzalez	Workshop Introduction
9:00-9:30	Doug Cameron	Industrial Biotechnology
9:30-10:00	Greg Stephanopoulos	Presentation title: Microbial Biofuel Technologies
10:00-10:05	Ramon Gonzalez	Agenda review & breakout session description
10:05-10:15	Break	Break and change rooms
10:15-12:15PM	Breakout Session I	Topic: Methane Activation and Pathways
12:15-1:00PM	Lunch	Lunch and networking
1:00-1:30	Report Out (Q&A)	Information sharing
1:30-1:45	Ramon Gonzalez (Q&A)	Potential impacts, considerations and challenges
1:45-2:00	Break	Break and change rooms
2:00-3:45	Breakout Session II	Topic: Bioprocessing
3:45-4:15	Networking	Networking
4:15-4:45	Report Out (Q&A)	Information sharing
4:45-5:15	Discussion led by R.G.	Summarize what we've heard/what we didn't hear, surprises, etc.; and, what happens next

## Workshop Location

Dept. of Energy ARPA-E Headquarters  
950 L'Enfant Plaza, SW  
South Building, 8<sup>th</sup> Floor ARPA-E  
Washington, DC 20024
